Datec Electronics SA, declares that has supplied in year 2007, 26 pieces of : **PORTABLE AXLE WEIGHBRIDGE CET10/4 DEDICATED TO OVERLOAD CONTROL EEC APPROVED** To the Greek Ministry of development for use by the Greek Road police department.

The customer uses these weighbridges successfully and we have received no complaints about their performance up to date.

A proposal for a yearly systems performance verification will be issued to the customer within this year.
